

**Pathways for Exceptional Children and  
Montville Township Recreation**

**“Project Win-Win”  
Employment Program  
Learning the Business of  
Landscape Design**

**WHO:** Ages 14 to 21

**Instructors:** Kimen Ryan, Certified Teacher of the Handicapped  
Melinda Jennis, Physical Therapist  
Landscaping & Mason Professionals

**WHAT:** This program will teach the business and fine art of landscape design. The kids will learn how to design landscapes and select plants, shrubs, stone, brick and other materials that appropriately coordinate with certain buildings and environments. They will learn how to shop for and match plants and shrubs with various climates and weather exposure as well as the equipment required for the business. The kids will create small business plans and budgets, company logos and names, invoices, customer proposals and letters, and customer databases and labels using computers. They will practice how to use phones, interact with customers, exchange money, and use cash registers. Professional landscapers will teach and providing site visits and hands-on experiences. The kids will be matched with mentors who have been hired and trained as job coaches for Project Win-Win and has been designed to meet the needs of children with a broad array of ability levels. This program has been generously funded through the help of grants from the Henry Kessler and Starbucks Foundations. (limit 8 children per class)
