

2010 Annual Membership Drive

Every child should have the opportunity to fulfill his or her dreams. Sadly, as children with special needs grow up, they face a daunting 70% unemployment rate. That's why *Pathways for Exceptional Children* prepares children with special needs for the real world, and at the same time, prepares the real world for children with special needs. Through *Pathways*, these children, their families and hundreds of dedicated professionals throughout the state of New Jersey regularly receive information, education, guidance and support. With your membership, *Pathways* can continue to enable these children to live successful, independent and meaningful lives. So, support *Pathways* today with your annual membership pledge for 2010. Visit www.PathwaysKids.org. Every penny you give works to support the steadfast commitment we make to these very special children, their families and their future.
